★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Wraps approximately 25 loads per hour
✓ Automatically attach and cut film
✓ Includes auto detect pallet height and emergency shut off function for safety

Increase productivity and eliminate worker strain with the Global Industrial™ Fully-Automatic Stretch Wrap Machine with Auto Film Attach and Cut Film. If you're wrapping five loads or more per day, by hand, you're in the market for our Fully-automatic stretch wrapper.

Designed to reduce the labor required per load, prevent shipping damage, and eliminate improper stretch wrapping, the machine's heavy-duty industrial design is built for long-lasting service. Use with 20" wide machine length stretch wrap. Optional ramps sold separately. ETL/cETL Certified. 1-Year Limited Warranty.

- Photo-eye allows operators to walk away
- Front and rear forklift access
- 110-volt, 10 amp.
- 13 RPM variable speed turntable
- Features a tension knob that allows 100% to 150%,post stretch.

For use with clear/translucent wrap only. Will not work with black film.
