Global Industrial™ LCD/Plasma Mobile Cart - Beige

★★★★★ (7)

Backordered, expected around 01/31/2027

Product Description

✓ Sturdy steel display for safely mounting & moving flat panel monitors
✓ (4) 4" non-marring casters for easy mobility
✓ 5" steel post for internal cable management

Safely mount and move flat panel monitors with the Global Industrial™ Orbit Mobile Cart. Featuring a sturdy steel frame, height-adjustable laminate work surface, and universal VESA tilt mount, this cart provides a reliable, durable solution for displaying and transporting 30-50" LCD and plasma screens. It effortlessly maneuvers on four 4" rubber casters, two of

which are locking, and is able to fit through standard doorways with ease, making it ideal for production floors, trade shows, lobby displays, and more. Limited 1-Year Warranty.

- Universal mount tilts from +15 ° to -5 ° for optimal viewing
- Twist knob locks tilt angle into place
- Weight capacity: 250 lbs.
- Optional keyboard tray and CPU holder sold separately
