Product Description

Hold materials together safely using this Stretch Wrap Film for Manual Dispensers while protecting them from dirt, moisture, theft and damage. Top-quality virgin linear low-density polyethylene stretch wrap film offers outstanding load protection and stretch. Quiet, cast opaque stretch film conceals shipments for added security when wrapping your pallets for shipping. Ideal for high priced shipments, international shipments, and storing outside. The 18" saves time and labor by maximizing each pass with its wider width reducing the amount of passes for a complete wrap top to bottom. 80 gauge for standard weight shipments

(recommended 3-4000 lb loads). Sold as 4 rolls per case.
