★★★★★ (0)

Ships within 1 Business Day

Product Description

Standout Features:

✓ Digital thermostat LED display.
✓ Adjustable shelving for customizable storage.
✓ Swivel casters for easy mobility.
✓ Doors are lockable & include 2 keys.

Store perishable goods in a commercial freezer that's convenient, easily accessible, and

manageable. The Nexel® Reach In Freezer provides reliable cold food and drink storage at impressive below freezing temperatures. Equipped with a transparent glass door, durable stainless-steel construction, and PVC wire-coated shelving, this reach-in freezer is ideal for keeping goods cold in restaurants, commercial kitchens, and cafeterias. An embedded digital thermostat with LED display makes it easy for operators to change the temperature at will.

- 1-Year Warranty.
- 23 Cu. Ft.
- Temperature Range: -8° to 0°F.
