Global Industrial™ Adjustable Height Machine Stand, 430 Stainless Steel, 24"Wx18"Dx30-36"H

★★★★★ (0)

Ships Same Day

Product Description

Adjustable height stainless steel machine stand with an easy to clear surface is designed to support heavy duty tools and equipment for kitchens, laboratories and more. This machine stand has multi-purpose "tension" frame construction that prevents sway. Made using rugged, 16 gauge 430 stainless steel shelves and 12 gauge stainless steel legs for stability and convenience. Offers 2000 lb. capacity. Shelves are double bolted for extra strength. Bottom shelf and legs are height adjustable at 3" increments. Top shelf feature 2 electrical

knockouts that accept installation of duplex outlets for electrical wiring or optional plug-in outlet that easily screws in place with no wiring necessary. The stainless steel finish provides an added layer of protection against rust and corrosion. Easy assembly. 1 Year Limited Warranty.
