Product Description

Nail Anchor - 1/4 x 1-1/2" - Mushroom Head - Zamac Alloy Body - Carbon Steel Nail - Pkg of 100

The Zamac Nailin is a nail drive anchor which has a body formed from Zamac alloy. The anchor can be used in concrete, block, brick or stone. A corrosion resistant Zamac alloy is used to form the anchor body with a mushroom head. The anchor can be used for light duty, tamperproof applications. The anchor is not recommend for overhead, life-safety or

sustained tensile loading applications.
