EXCLUSIVE BRANDS NEW PRODUCT

Global Industrial™ Lithium Powered Elec Pallet Jack with Charger, 4500lb Cap, 27"W x 45"L Forks

★★★★★ (0)

Preorder, expected around 04/16/2027

Product Description

✓ Eliminates the manual pulling, pushing, or pumping required by non-powered pallet jacks
✓ Intuitive dual butterfly thumb switch allows for safe, accurate operation
✓ Transports loads of up to 4,500 lbs. at a maximum speed of 2.5 mph

The Global Industrial™ Electric Pallet Jack helps warehouse workers, material handlers, and forklift operators efficiently move heavy loads throughout your facility. Constructed from heavy-duty steel with a durable powder coat finish, this unit is able to support loads up to

4,500 lbs. and features three operating settings, including turtle and vertical modes for precise maneuvering. Its 52-1/2" turning radius helps users navigate tight aisles and crowded work areas, while the override brake allows for manual movement when needed. The rechargeable LiFePO4 battery delivers up to 2-1/2 hours of runtime, recharges in as little as 2 hours, and can be quickly swapped to minimize downtime. Built with sturdy steel forks and polyurethane wheels, this self-propelled pallet jack delivers reliable performance in warehouses, distribution centers, loading docks, and large retail stockrooms. Limited 1-Year Warranty.

- cETL Certified
- Ergonomic handle with an emergency stop switch and horn
- Easily swappable battery system for continuous use
- Reduces risk of physical strain or injury
- Protected battery case for added safety
