Product Description

With heavy-duty resin construction, Suncast Commercial Storage stands up to any job. Built with reinforced adjustable shelving and lockable handles, these durable, blow-molded cabinets are designed to protect critical equipment and gear, and keep tools stored safely out of harm's way. The resin housing is resilient to warping, rusting, and denting, but is lightweight enough to make set up easy. Unlike other products with bulky, squared off edges, Suncast Commercial products feature a sleek design that elevates your work

environment, creating an attractive space.
