Product Description

Nexel® Chrome Display Unit - 36"W x 18"D x 34"H - 3 Tier

Wire displays provide durability and flexibility to your retail merchandising efforts. Bright, chrome over nickel electro plating creates a brilliant high gloss finish. Open design maximizes air and light circulation and minimizes dust accumulation. Shelves easily adjust without tools and align accurately at 1" increments. Shelf clips snap on post, allowing shelf

collar to slide over for a secure fit. Limited one year warranty against rust and corrosion. Solid, hardware deck has radial cut designed corners. Deck is coated with a smooth, semi-gloss "Varnique" finish that can be used for general food preparation and requires low maintenance that can be easily cleaned with mild soap and warm water. Varnique is also very resistant to water spotting and staining.

Display Units include 3 shelves, 4 posts, shelf clips and 4 adjustable leveling feet (with non-marring floor glides) which allow compensation for uneven floors, and hardwood deck overlay.

Specifications

Weights & Dimensions

Width	36 in
Depth	18 in
Height	34 in

Product Details

Assembly Required	Yes
Type	Starter Unit
Shelf Type	Flat Wire
Shelf Capacity	800 lbs
Color	Chrome
Application	Dry
Finish	Chrome
Number of Shelves	3
Material	Steel
Manufacturers Part Number	W18363C3
Unit Type	Display

Brand	Nexel
