Product Description

Nexel® P63G Poly-Green® Epoxy Post 63"H Leveler Installed

Build or add on to your shelving with additional posts that make for limitless configurations. Numbered marks make shelf leveling easy and fast at 1" increments. Includes factory installed floor leveler and plastic top cap. **Green Epoxy**is a durable finish that handles temperature and moisture extremes well. NEX**Guard**, an anti-microbial agent, protects the

epoxy coating from bacteria, mold, and mildew that causes odors and product degradation. **NSF** approved for wet or dry use. **Limited fifteen year warranty** against rust and corrosion.
