Klein Tools® 11063W Katapult® 8-20 AWG Solid & 10-22 AWG Stranded Wire Stripper/Cutter

★★★★★ (0)

Ships Same Day

Product Description

Klein Tools' popular Katapult tool can now strip and cut. Use the built-in cutting hole to cleanly cut 8-22 AWG wire, while the stripping head allows you to easily grip and strip just by squeezing the handle. The Katapult Wire Stripper/Cutter is made of cast alloy with a heavy-duty Ecoat finish for corrosion resistance and durability.
