Ships Same Day

Product Description

BOLTLESS SHELF
Single Rivet - Wire Deck
Boltless shelf allows easy access to stored items from all sides. Wire decking is supported by durable steel beams that adjust at 1-1/2" increments. Beams have a baked enamel finish. Includes 2 cross shelf beams and 2 side support beams for rigidity. Includes wire deck made of 4 gauge welded wire with a gray epoxy finish. Rivet beams allow easy, tool free shelf installation.
