Product Description

The most recent design among the Plano family, the newly redesigned Waterproof StowAway® was made with anglers in mind. With the O-ring gasket for enhanced closure, this line offers a waterproof rating that will keep all of your gear safe. A single latch design allows for faster opening and closure and includes a large reusable labeling area for further organization. Topping it all off with a transparent lid and additional divider slots for improved configurability, this stow will improve the experience of any angler.

Features:

- O-ring seal for additional waterproof protection
- Adjustable compartments with rigid pre-cut dividers for simple, quick box setup and adjustments
- Rustricor™ corrosion resistant technology helps combat rust and corrosion
- Single latch design for quick, one-handed opening and secure closure
- Large and reusable dedicated labeling area
- Transparent lid for easy content identification
- Additional divider slots allow for improved configurability and organization
