Product Description

The Global Industrial™ Bulk Bag Lifter is for use with a forklift or an overhead hoist. This bulk bag lifter helps reduce workplace injuries associated with packing and unpacking bulk bags. This attachment reduces labor costs, injury related claims and increases productivity. Unique design increases your forklift flexibility and return on investment. Lifter features 6-3/4" x 3-1/4" forklift fork pockets and a 4-1/4"L x 4-5/8"W x 3/4" thick bail for use with an overhead hoist. Integral 1-1/2" hook opening bag strap retainers and a liner retainer are standard. Welded steel construction features a durable blue powder coat finish for long life.

1 Year Limited Warranty.

NOTE: OSHA requires contacting the manufacturer of your fork truck for written approval for the use of any fork truck attachments.
