Global Industrial™ Machine Grade Strapping, 1/2"W x 9000'L x 0.022" Thick, 8 x 8" Core, White

★★★★★ (3)

Ships within 1 Business Day

Product Description

This quality polypropylene strapping has stretch and strength characteristics that withstand semi-automatic and automatic strapping machines. It features high elongation and recovery with low tension retention for tight, strong and fast strapping. It comes with an 8" core. Machine Grade Polypropylene.
