Product Description

Designed to hold cans in the most space-efficient manner, can rack systems can store up to (96) #10 cans or (144) #5 cans. Front loading racks for easy dispensing. 3-tier design. Shelves easily adjust without tools and align accurately at 1" increments. Shelf clips snap on post, allowing shelf collar to slide over for a secure fit. **Chrome** plating process consists of electro-plated nickel-chrome resulting in a brilliant high gloss finish. Open Wire truss reinforced shelves feature front to back welded surface ribs for added strength. Open design maximizes air and light circulation and minimizes dust accumulation. **Limited one**

year warranty in dry application and usage.
