Global Industrial™ Stainless Steel Utility Sink With 8" Backsplash, 18"x18"x12" Deep

★★★★★ (0)

Backordered, expected around 01/11/2027

Product Description

Built for washing away dirt and grime, the Global Industrial™ Stainless Steel Utility Sink is the ideal washing companion for a variety of jobsites and workstations, whether you need a reliable station for washing tools or an industrial sink for cleaning hands after a hard day's work. The deep basin allows elbow-deep scrubbing while keeping splashes within four walls of stainless steel. Perfect for any commercial, educational, or industrial working space where tools need to be cleaned frequently. High backsplash design protects walls from

water residue and damage. One-compartment sink features an 18 gauge stainless steel body with a 8" backsplash and 12" bowl depth. Galvanized steel legs with adjustable impact resistant plastic feet. 1-hole for deck mount faucet. Sink measures 24"W x 24"D x 42"H. Easy assembly. NSF Listed. 1 Year Limited Warranty.
