Product Description

✓ Black epoxy finish is ideal for dry/wet environments
✓ Stem casters offer smooth transportation
✓ Stores and displays light to medium equipment

Provide simple access to light computer and electronic equipment in retail spaces with the Nexel® Chrome 3-Tier Mobile Sales Unit. This black epoxy wire utility cart is ideal for restaurants, cafes, and grocery stores where a mobile sales checkout station or mobile

storage for light to medium supplies is needed. Each shelf adjusts in 1" increments and is reinforced with welded surface ribs for added strength to support more quantities of items. Black epoxy finish is ideal for dry/wet environments with caution used around any powered electronic equipment. Stem casters. NSF approved.

- Includes solid metal top, 3 shelves, 4 posts, and 4 casters
