

## IMPORTANT RECALL NOTICE

October 19, 2022

To: All Customers Selling G2980C Meguiar's Heavy Duty Headlight Restoration Kits in Canada

Subject: **RECALL Notice – Meguiar's Heavy Duty Headlight Restoration Kit, G2980C**

Dear Valued Customer/Distributor,

Our records indicate that you purchased **Meguiar's Heavy Duty Headlight Restoration Kit, G2980C** from 3M Canada in 2022. 3M Canada is following up on the recent stop sale/distribution notice regarding this product and initiating a product recall at this time.

In coordination with Health Canada, 3M Canada is voluntarily recalling this product from the consumer market after concluding that it does not meet the child-resistant packaging requirements of the *Consumer Chemicals and Container Regulations, 2001* under the *Canada Consumer Product Safety Act*. The lack of child-resistant packaging could result in unintentional exposure to these products and lead to serious illness, or injury, including death. Your prompt action is required as detailed below.

3M Canada has not received any report(s) of related consumer incidents or injuries in Canada.

| Inventory Item | Description                                            | Image of Heavy Duty Headlight Restoration Kit                                       | UPC Code     | SCC Code       |
|----------------|--------------------------------------------------------|-------------------------------------------------------------------------------------|--------------|----------------|
| <b>G2980C</b>  | Meguiar's Heavy Duty Headlight Restoration Kit, G2980C |  | 070382013486 | 10070382013486 |

Customers with inventory are asked to immediately stop selling this product and contact 3M Canada by emailing [QualityCentral@mmm.com](mailto:QualityCentral@mmm.com) to report the quantity of product in your inventory, with purchase order information (if available). Upon receipt of your email, 3M Canada Quality Central will provide a Return Authorization Number and instructions for product return. Once the product is

received at the 3M Canada warehouse, customers will receive credit. Please do not deduct the value of the return from current or future payments.

For transportation purposes, this product is in a regulated class. Please ensure you follow all applicable transportation requirements.

The attached Consumer Recall Notice provides instructions for consumers to contact you (the 3M Canada Customer) from whom they purchased affected product for further instruction. Thank you in advance for your support in reaching your customers with this information and for processing their returns. Please also contact [QualityCentral@mmm.com](mailto:QualityCentral@mmm.com) for direction regarding consumer returns collected.

We apologize for the inconvenience this situation has caused and thank you for your prompt support of this important Recall Notice. If you have any questions, please contact your Meguiar's Sales Representative at 3M Canada.

Sincerely,

Kimberly Johnson  
Global Quality Director  
3M Consumer Business Group

## 3M Canada Recall Consumer Notice

**Meguiar's Heavy Duty Headlight Restoration Kit, G2980C purchased in 2022** is being recalled by 3M Canada in cooperation with Health Canada after concluding that the product does not meet the child-resistant packaging requirements of the *Consumer Chemicals and Container Regulations, 2001* under the *Canada Consumer Product Safety Act*. The lack of child-resistant packaging could result in unintentional exposure to these products and lead to serious illness, or injury, including death. 3M Canada has not received any report(s) of related consumer incidents or injuries in Canada.
