

OVERVIEW

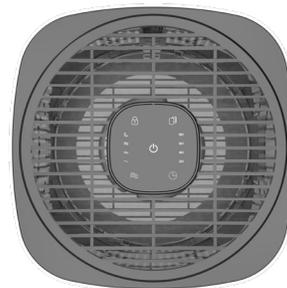

Simply Conserve®'s medical-grade, tabletop air purification system is the ideal, portable solution for improving your family's wellness, effortlessly saving energy, and lowering bills. Conveniently and efficiently remove airborne contaminants including pathogens, toxins, allergens, asthma triggers, and odors with the unit's 3-Stage True HEPA H13 Composite Filter. Intuitive touch settings for optimizing filtration speed, energy consumption, and fan noise, combined with a convenient "replace filter" indicator make operation a breeze.

KEY FEATURES

Medical-Grade Filtration (filter included)

- **Removes 99.97% of airborne elements**
Captures particles down to 0.3 microns in size including viruses, bacteria, toxins, pollen, dust, and smoke.
- **3-stage composite air purification**
The pre-filter captures large particles, the medical-grade HEPA H13 filter traps fine particles and pollutants, while the super-absorbent activated carbon filter eliminates airborne toxins and odors.
- **116-164 CADR up to 180 ft² effective area**
Certified clean air delivery for removing particulates including smoke (116), dust (147), pollen (164).

Convenient Energy-Saving Operation

- Intuitive touch-control display
- Optimize energy use & fan noise
 - Replace filter indicator
 - 4 filtration fan settings (sleep, low, medium, and high)
 - 5 filtration time settings (always on, 2-hour, 4-hour, 6-hour, and 8-hour)
 - Display lock prevents accidental setting changes
 - ENERGY STAR® certified
- EPA Est. No. 99452-CHN-1

Peace Of Mind

- 1-year warranty
- Replacement filters available
