

Adjustable Full Cut-Off Wall Pack

L80-FCWP-30/50-120/277-D-ADJ

OVERVIEW

Simply Conserve®'s Adjustable Full Cut-Off Wall Pack delivers flexible, energy-efficient illumination tailored for exterior commercial and industrial applications. Designed with a field-adjustable switch, this 3-in-1 fixture allows installers to easily select between 3000K, 4000K, or 5000K color temperatures to suit the environment. Built to withstand harsh conditions, it features a durable die-cast aluminum housing, an IP65 wet-location rating, and built-in surge protection. With standard 0–10V dimming and a long 50,000-hour lifespan, it offers reliable performance and long-term value for a variety of outdoor lighting projects.

FEATURES

- Adjustable Color Temperature**
Easily select from 3000K, 4000K, or 5000K via onboard switch, giving you a versatile 3-in-1 solution for diverse lighting environments.
- Rugged, Outdoor-Ready Build**
Features a durable bronze-finished die-cast aluminum housing, UV-resistant lens and coating, and IP65 rating for reliable use in wet locations.
- High Performance & Longevity**
Delivers 10,400 lumens at 130 LPW efficiency, with a minimum CRI of 70 and an L70-rated lifetime of at least 50,000 hours.
- Built-in Surge Protection**
Integrated 4KV surge protection safeguards the fixture against voltage spikes, enhancing durability and reliability.
- Dimmable for Efficiency**
Compatible with 0–10V dimming systems for enhanced energy savings and light-level control.

WARM WHITE
2500K - 2700K

COOL WHITE/BRIGHT WHITE
3000 - 4000K

DAYLIGHT
5000K+

Light Coloration

Warmer color temperatures that highlight architectural elements

Cooler color temperatures that accent plants and provide good visibility

Cool white color temperatures that highlight details and create a modern look

Lighting Examples:

Home facade lighting: Use 2500–2700K to highlight architectural elements

Landscape lighting: Use 3000–4000K to accent plants or provide security lighting

Moonlighting: Use 4000K down-lighting to mimic natural moonlight

Ideal Rooms/Locations

Outdoor entertainment areas: Use warm white lighting to create an inviting atmosphere
