

Advanced Cartridge

Replacement Filter

AM-AP1130-FLTRPACK

OVERVIEW

The Simply Conserve® Advanced Cartridge Replacement Filter delivers powerful indoor air quality designed to help make everyday wellness more affordable and sustainable. Compatible with the Advanced Cartridge, this composite filter combines a True HEPA H13 filter to capture 99.97% of microscopic contaminants down to 0.3 microns (bacteria, viruses, pet dander, smoke, pollen ...) and a Super Absorbent Carbon filter (smoke, fumes, VOCs, cooking, pet smells ...). Using this high quality composite filter inside our patent pending Advanced Cartridge significantly reduces replacement filter cost and landfill waste.

FEATURES

- **Improves Air Purifier Affordability - Save Up To 60%**
Replace the composite True HEPA H13 and Carbon filter after 1,500 hours of use, instead of buying a whole new cartridge.
 - **Replaceable True HEPA H13 Filter**
Traps 99.97% of bacteria, viruses, pet dander, smoke, pollen, mold, microscopic contaminants, and pollutants down to .03 microns.
 - **Replaceable Super Absorbent Carbon Filter**
Eliminates airborne toxins, odors, smoke-smell, fumes, VOCs, cooking, and pet smells.
- **Enhances Sustainability - Less Landfill Waste**
Prevents cartridge plastic from entering a landfill every time a filter needs to be replaced.
- **Easy Filter Swap Every 4-6 Months**
Simply open the Advanced Cartridge, remove the used filters, and insert the replacement composite True HEPA H13/Super Absorbent Carbon filter for another 1,500 hours better breathing.
- **AHAM Verifide® Filter**
