

# Automatic Door Sweep

07179-I  
07153-I

## OVERVIEW

Got drafts, noise, dirt, or critters getting under the door in an entryway that transitions from hard flooring to carpet? Our Automatic Door Sweep is the clever solution for keeping the outdoors out and the indoors in for doors swinging open and closed over uneven surfaces. Featuring a spring-loaded, adjustable seal that automatically lifts when the door is opened and lowers when the door is closed, you just discovered the ideal sealing solution for increasing your comfort, saving energy, and lowering bills. Available in white or brown finishes our Automatic Door Sweep come complete with slotted holes, Philips-head screws, and instructions for easy installation and adjustment.

## FEATURES

- Conveniently Seals Doors Swinging Over Uneven Surfaces**  
Spring loaded seal automatically lifts when door is opened and lowers when it's closed.
- Improves Comfort & Wellness**  
Seals gaps up to 0.50" to keep drafts, noises, dirt and critters from sneaking under the door.
- Long Lasting Energy & Utility Bill Savings**  
Featuring a durable extruded aluminum carrier and flexible, single-fin seal for enhanced longevity and efficiency.
- Easy Installation**  
Features slotted holes, Philips-head screws, and instructions for simple and quick installation and adjustment.
