

Closed-Cell Foam Tapes

OVERVIEW

Discover the ultimate solution for a cozy and energy-efficient home with our Closed-Cell Foam-Tape Weatherstripping options. Effortlessly designed to seal out drafts and prevent heat loss, this weatherstripping enhances your home's energy efficiency. Crafted from 100% PVC sponge foam and featuring a pressure-sensitive peel-and-stick acrylic adhesive, it's incredibly easy to install—no special tools or skills required! Perfect for doors, windows, attic hatches, and even around air conditioners, this versatile weatherstripping comes in a variety of sizes to ensure a snug fit and reliable performance wherever you need it.

FEATURES

- **Enhanced Home Comfort**
Effectively blocks drafts and insulates, ensuring a more comfortable and energy-efficient home.
- **Hassle-Free Installation**
With its 100% PVC sponge foam and user-friendly peel-and-stick acrylic adhesive, this weatherstripping is easily installed without the need for any special tools or expertise.
- **Versatile Solution**
Ideal for sealing doors, windows, attic hatches, and even around air conditioners, this versatile weatherstripping provides a reliable solution for various applications throughout your home.
