Dusk-To-Dawn A19 Lamp

L09DTD27K

60W REPLACEMENT 9W LED

SIMPLYCONSERVE®

OVERVIEW

Our Dusk-To-Dawn A19 LED blends convenience and efficiency. Using a fully integrated photocell, the light automatically turns on and off based on available daylight, making it ideal for living spaces, hallways and entryways. Enjoy significant savings with long-lasting performance—these bulbs use up to 80% less power and last up to 22 times longer, reducing your energy costs and maintenance time for years to come. Upgrade your home or office with a lighting solution offering simplicity, efficiency, and durability.

FEATURES

- **Fully Integrated Photocell**
  Brings on/off control to the product based on available daylight. No need to rely on manual switches.

- **Save Energy & Lower Bills For Years To Come**
  Using up to 80% less power and lasting up to 22x longer, these bulbs save energy and lower bills for years to come.

- **25,000-Hour**
  This lamp's rated average life expectancy is nearly 6 years when used 12 hours/day.

25,000 HOURS INTEGRATED PHOTOCELL MERCURY FREE
