

Earth® Pause Showerhead

2915C-V
2920V

OVERVIEW

The Earth® Pause Showerhead creates a personalized and satisfying experience with every shower. Tailor spray-feel from firm to soft or anywhere in between while using the showerhead's Full-Body spray or indulge in the 9-Jet Massage or Combination options. Patented Equiforce® Technology consistently delivers uniform flow, high-pressure sprays, and broad coverage—even in lower water-pressure homes to further enhance showering enjoyment. Use the built-in pause button, to conveniently slow the water's flow while lathering or shaving to save even more water and energy. Earth's corrosion-resistant, high impact ABS body ensures durability, and the metal ball joint provides smooth directional adjustments shower after shower.

FEATURES

- **Personalized Shower Experience**
Enjoy three spray options (Full-Body, 9-Jet Massage, and Combination) and the flexibility to customize the Full-Body spray's feel from firm to soft to match the bather's mood.
- **Equiforce® Technology**
Our patented flow enhancement technology ensures satisfying shower experiences by delivering uniform flow, high-pressure sprays, and broad coverage—even in lower water pressure homes.
- **Integrated Pause Button**
Save even more water and energy by hitting the pause button while soaping up or shaving. Enjoy a richer lather, hot water savings, and lower utility bills.
- **Enduring Quality**
Crafted with a corrosion-resistant, high impact ABS body featuring anti-clog spray nozzles for lasting durability and a metal ball joint for smooth directional adjustments.
