

Earth® Handheld

OVERVIEW

The Earth® Handheld Showerhead creates a personalized and satisfying experience with every shower. Enjoy the versatility of a shower perfect for children, seniors, pets and cleaning your shower itself. Adjust sprays from firm to soft or anywhere in between while using the handheld showerhead's Full-Body spray, or indulge in the 9-Jet Massage or Combination spray options. Patented Equiforce® Technology consistently delivers uniform flow, high-pressure sprays, and broad coverage - even in low water-pressure homes to further enhance showering enjoyment. The Earth® Handheld Showerhead's corrosion-resistant, high-impact ABS body ensures durability, and the metal ball joint provides smooth directional adjustments shower after shower.

FEATURES

- **Luxurious Showers**

Experience a premium, 2.7-inch diameter, 54-nozzle spray face that pampers you with warm, soothing, and great-feeling showers.

- **Customizable Shower Experience**

Enjoy three spray options (Full-Body, 9-Jet Massage, and Combination) and the flexibility to customize the full-body spray's feel from firm to soft to match the bather's mood.

- **User Versatility**

Improves comfort and convenience for everyone in the family including adults, children, seniors, and pets.

- **Equiforce® Technology**

Our patented flow enhancement technology ensures a satisfying shower experience by delivering uniform flow, high-pressure sprays, and broad coverage - even in lower water pressure homes.

- **Durable and Reliable**

Corrosion-resistant, high-impact ABS body, metal ball joint, and anti-clog nozzles ensure long-lasting performance.

- **Stainless Steel Hose**

Robust metal hoses come in stainless steel or brushed nickel colorways to compliment the handheld showerhead's finish. See chart on back.
