

Field-Adjustable LED Troffers

L20/30-TF22-35/50-D-ADJ-2PK

L34/45-TF24-35/50-D-ADJ-2PK

OVERVIEW

The Simply Conserve® Field-Adjustable LED Troffers offer an energy-efficient, modern replacement for traditional fluorescent fixtures in standard drop ceilings. Designed to fit 1" T-bar grid systems, these troffers feature selectable lumen output and color temperature to meet a range of lighting needs with a single SKU. Their sleek center-basket design provides uniform, low-glare illumination and blends seamlessly into commercial environments such as offices, schools, healthcare facilities, and municipal buildings—delivering reliable, high-quality performance with a clean architectural look.

FEATURES

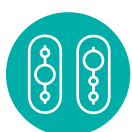

- **Adjustable Output & Color Temperature**
Selectable lumen and CCT settings allow for on-site flexibility and simplified specification and stocking.
- **Drop Ceiling Compatible**
Engineered to fit standard 1" T-bar grid ceilings for quick, secure integration in new construction or retrofit installations.
- **Architectural Center-Basket Design**
Modern center-basket housing delivers advanced light distribution with a clean aesthetic suited for visible ceiling applications.
- **Efficient & Long-Lasting**
L70-rated lifetime of 50,000 hours with high efficacy, excellent color rendering, and support for 0–10V dimming to maximize energy savings and comfort.
