

# Field-Adjustable Wraparound LED

L30/50-WRP-35/50-4FT-D-ADJ-120/277

## OVERVIEW

The Simply Conserve® Field-Adjustable Wraparound fixture is engineered for maximum versatility and performance. Featuring dual onboard switches, it allows seamless customization of both input power and color temperature to suit diverse lighting needs. Designed with contractors in mind, this fixture supports fast, hassle-free installation across new construction, remodels, and retrofit applications. Its innovative tool-less lens removal streamlines setup and maintenance, while the low-profile design and broad light distribution make it an ideal solution for offices, retail environments, corridors, and other interior commercial spaces.

## FEATURES

- **Adjustable Wattage & CCT**  
Field-selectable lumen output and color temperature support a range of lighting needs and reduce inventory complexity across applications.
- **Flexible Installation & Integration**  
Designed for both retrofit and new construction projects, with tool-less lens removal and linkable end caps for easy daisy-chain connections.
- **Energy Efficient & Long-Lasting**  
Delivers up to 50,000 hours of reliable performance (L70) and supports 0-10V dimming for improved energy savings and control.
- **Wide Light Distribution**  
110° beam angle ensures broad, even illumination ideal for commercial interiors.
- **Built for Demanding Environments**  
UL damp-location listed and constructed for dependable operation in utility rooms, stairwells, offices, warehouses, and more.
