

Smart Recessed Downlight Retrofit

L12DL5/6-CCT-RGB-WiFi-BLE

65/75 Watt FLUORESCENT EQUIVALENT

OVERVIEW

Upgrade your existing can lights to smart LED with the Simply Conserve® Smart Recessed Downlight Retrofit. The sleek design features a thin wafer LED and flush bezel for a clean look. This retrofit replaces 65W to 75W incandescent lamps in five- and six-inch recessed downlight fixtures, offering energy-efficient lighting with 50,000 hours of maintenance-free operation. Installation is easy and suitable for damp locations, with dimmable lighting down to 10%. Control your lighting via the Simply Conserve® app, Amazon Alexa, or Google Assistant, with customizable brightness and color settings. Automatic scheduling ensures optimal illumination synced with your daily activities.

FEATURES

- Ready for Retrofit**
Includes an E26 adapter for quick and easy installation in standard screw-based can lights.
- Control With Ease**
Use your smartphone or voice commands via Amazon Alexa or Google Assistant—no hub required.
- Customize Your Lighting**
Adjust brightness, white tuning, or colors to suit any environment.
- Automate Your Lighting**
Create custom schedules that brighten or dim based on your routine.
- Stay Connected From Anywhere**
Use the Simply Conserve® app to control lighting in homes or commercial spaces.
- Built for Versatility**
Damp-location rated for reliable performance in bathrooms, kitchens, and covered outdoor areas.
- Exceptional Longevity**
L70-rated to last up to 50,000 hours—minimizing maintenance and replacement costs.
