

OVERVIEW

Simply Conserve's field-adjustable linear strip fixture includes two switches inside the unit which allow for adjustment of the input power, 30W/40W/50W and color temperature 3500K/4000K/5000K. Push-button lens cover releases allow for tool-free access to adjust settings and wire connections. Lens is supported with aircraft cable to prevent the lens from falling. This versatile product is suitable for a variety of applications including retail, offices, warehouses, stairwells, and garages.

KEY FEATURES

- Field-adjustable lumen and CCT
- L70-rated lifetime of 50,000 hours
- 0-10V dimmable
- 3/4" knockouts for easy daisy-chaining or control addition
- Tool-less lens cover removal
- UL-damp location listed
