

OVERVIEW

Simply Conserve's field-adjustable wraparound fixture includes two switches on the unit, allowing for adjustment of the input power and color temperature. This wrap fixture is designed for easy installation, whether it be a new construction, remodel, or retrofit project. Its tool-less lens removal makes for easy installation and ideal for use in a variety of interior commercial spaces.

KEY FEATURES

- Field-adjustable wattage and CCT
- Suitable for retrofit or new construction installation
- L70-rated lifetime of 50,000 hours
- 0-10V dimmable
- 110° beam angle
- Connectable end caps for easy daisy-chaining
