

LED SHOP LIGHT

OVERVIEW

Our LED Shop Light is the ideal solution to illuminate basements, garages, work spaces, and more. It offers daylight-white overhead task lighting to maximize productivity, and its shatter-resistant, damp-rated build allows it to function in any space. With powerful lighting optimized for any project, the LED Shop Light saves energy without sacrificing quality.

5-Year Limited Warranty

AM Conservation guarantees to the original purchaser or recipient of an LED light that it is free from defects in material and workmanship for a period of 5 years. AM Conservation will at our choice replace any part of the LED light which is in our opinion defective provided that the product has not been abused, misused, altered, or damaged after its purchase. This includes damage due to the use of tools or harsh chemicals. In the event a product has been discontinued, AM Conservation will replace it with what we determine to be the closest product. AM Conservation is not responsible for labor charges, installation, or other consequential cost. AM Conservation's responsibility shall not exceed the original cost of the product.
