

# LED Candelabra Bulbs

**40W** REPLACEMENT  
4-5W LED

## OVERVIEW

Bask in the glow of soft, warm light and energy savings for years to come. Simply Conserve® LED Candelabra Bulbs (40W equivalent) help you set the perfect mood with your favorite chandelier, sconce, pendant, ceiling fan, or decorative lighting fixture. Dimmer and E12 socket compatible, choose from standard, frosted, or filament styles to create that perfect look. Our Candelabras are packaged in both standard and bulk options, making installations economical, quick, and convenient for homeowners, multifamily buildings, commercial properties, and contractors alike.

## FEATURES

- **Warm, Welcoming Light For Every Occasion**  
2700K temperature provides a soft-white (yellowish) glow ideal for living rooms, dining rooms, bedrooms, and outdoor spaces.
- **Dimmable To Create The Perfect Atmosphere**  
Adjust brightness levels to set the ideal mood when paired with a dimmer switch.
- **Beautifully Energy Saving**  
These bulbs don't just look good, they use up to 80% less energy than traditional 40W incandescent bulbs—illuminating welcoming savings for years to come.
- **25,000 Hour Life**  
The rated average life expectancy for these lamps is equal to 23 years when used 3 hours/day.
- **Quick Install Contractor Packs**  
Available in larger quantity case and bulk packs to make installations economical, quick, and convenient for contractors.
