

LED Exit Sign

LEDEXT-DF-RED/GRN-BB-US

OVERVIEW

Illuminate your path to safety and savings with our dependable, versatile, 120/277 volt Simply Conserve Exit Sign. Featuring LED technology to reduce energy use by 90%, selectable red or green illumination options, a battery backup lasting 90 minutes, and flame-resistant construction, this sign is sure to shine when you need it most. Flexible single and dual sided mounting options for wall and ceiling applications combined with selectable directional arrows enable easy installation just about anywhere. Durable designed for greater reliability, the Simply Conserve LED Exit Sign is backed with a 3-year warranty.

FEATURES

- **+90% Energy Savings**
Significant savings vs. 18W CFL exit signs.
- **Single or Dual Sided, Red or Green Illumination**
Ultra bright RED or GREEN LEDs can be displayed as a single or double face.
- **Versatile Installation Options**
Universal JBox attachment and selectable directional arrows for ceiling or wall mount applications.
- **Integrated Backup Battery**
90-minute runtime for continuous illumination when the power goes out.
- **Durable Design**
120/277 Volt. Impact and flame-resistant construction.
32°F – 100°F environmental operating range for indoor use.
