

OVERVIEW

Our dimmable 17-watt BR40 LED bulb is equipped with a wide beam angle that directs bright, even light in a wide area. The lamp is equivalent to a 100-watt incandescent and features a standard medium base. This allows the lamp to be easily installed into existing sockets, decorative fixtures, and outdoor fixtures. This bulb is suitable for dry or damp locations.

KEY FEATURES

- 25,000-hour lifespan
- Suitable for damp locations
- Dimmable
