

OVERVIEW

Our v-seal adhesive-backed weatherstripping is easy to install and perfect for the professional or do-it-yourselfer. The v-seal adhesive-backed weatherstripping is pre-scored polypropylene designed for conforming extremely well to large and small gaps. Just cut the v-seal adhesive-backed weatherstripping to size, fold, and stick. This weatherstripping can be used to seal both doors and windows.

KEY BENEFITS

- For use on doors and windows, able to fit tight spaces and narrow gaps
- 17 ft. unspooled length
- V-shaped design for optimal compression
- Self-adhering seal
- Helps save energy by filling narrow gaps and preventing air leaks
- Optimal for use in energy efficiency kits
