

Moisture Meters

MM071
MM071-F
MM071-L

OVERVIEW

Niagara Conservation Moisture Meters are a simple and fun way to keep lawns, gardens, flower beds, and potted plants colorful and green by eliminating over- or under-watering—two of the leading causes of plant stress and water waste. By measuring and displaying root-level moisture conditions, they help residents make more informed watering decisions. Simply pop the probe into the soil to receive an accurate reading.

FEATURES

- **Instant Soil Readings**
Accurately measures moisture at the root level to support more effective and efficient watering.
- **Easy-to-Read Dial**
Clearly labeled display provides quick, visual feedback on current soil moisture levels.
- **No Batteries Required**
Operates without batteries for convenient, maintenance-free use anywhere in the yard or garden.
