OVERVIEW

Niagara Conservation's Earth Luxe Two-Handled High-Arc Kitchen Faucet features graceful design, easy installation, and top-of-the-line components to infuse high-quality with premium water savings performance. Its high-arc spout provides generous clearance for filling pots and washing dishes, while sculpted metal handles and ceramic disc valves deliver smooth, drip-free water control. A matching side-sprayer enhances flexibility and boosts spray power for cleaning and food prep. Tool-free quick connects and included braided supply lines speed installation by cutting mounting times in half. The Earth Luxe Two-Handle High-Arc Kitchen Faucet is the easy choice for quality, performance, and savings.
