

Earth® Luxe Single-Handle Pull-Down Kitchen Faucet

N-SLPD-KF15-CH-US
N-SLPD-KF15-BN-US
N-SLPD-KF15-MB-US

OVERVIEW

Niagara Conservation's Earth® Luxe Single-Handle Pull-Down Kitchen Faucet blends transitional styling, effortless installation, and performance-driven flow to efficiently deliver 32% more water savings. Its high-arc design offers clearance for daily tasks, while premium components such as a sculpted metal handle and ceramic cartridge ensure smooth, drip-free water control. This faucet includes a pull-down sprayer with a Turbo Spray setting for blasting food and baked on residue from dishes and cookware that delivers 60% more cleaning power and up to 25% more water savings than its standard spray. Perfect for any kitchen.

FEATURES

- **Save 32% More Water Without Sacrificing Performance***
Comfortably and conveniently reduce water and energy use.
- **75% Faster Installation with Convenient, Tool-Free Mounting**
Patented Quick-Install System and pre-attached supply lines significantly speeds and simplifies faucet installation.
- **Improved Clearance for Filling Pots and Washing Dishes**
High-arc design provides generous clearance between spout and sink basin.
- **Turbo Spray for 60% More Cleaning Power and 25% More Water Savings**
Powerful spray option improves washing performance and water efficiency (vs. standard flow @ 40 psi).
- **Smooth and Precise Water Controls** Generously sized metal lever and durable ceramic disc cartridge deliver drip-free operation.
- **Limited Lifetime Warranty** Free repair or replacement of manufacturing defects for product's lifespan (restrictions apply).
