

DUAL-SPRAY SWIVEL AERATOR

N3115P, N3115P-FC

OVERVIEW

Our Dual-Spray Swivel Faucet Aerators offer two stream options: a full force multiple stream and a splash-free bubble stream. The aerator offers a pause-action valve that reduces flow to a trickle while keeping water temperature constant. Its 360° swivel directs water flow wherever it's needed. The Dual-Spray Swivel Aerators produces a pressure-compensated stream that performs well at any water pressure. This aerator is also dual threaded to fit both male- and female-threaded faucets: Male: 15/16-27, Female: 55/64-27.

KEY FEATURES

- Dual-threaded
- Fits most male- and female-threaded faucets, Male: 15/16-27, Female: 55/64-27
- Housing constructed of durable ABS plastic with high-polish chrome finish, does not contain any unplated brass parts
- Pause-action valve

Certified by
CSA Group

CERTIFICATION & PERFORMANCE REQUIREMENTS

- ASME A112.18.1 / CSA B125.1; ANSI/NSF 61
- Chrome-plated parts meet ASTM B368 for corrosion testing

| MODEL # | SPRAY | FINISH | FLOW RATE | WATERSENSE |
|-----------|-----------------------|--------------|-----------|------------|
| N3115P | Aerated Bubble/Needle | Chrome/White | 1.5 GPM | Yes |
| N3115P-FC | Aerated Bubble/Needle | Chrome/White | 1.5 GPM | No |

POTENTIAL ANNUAL SAVINGS

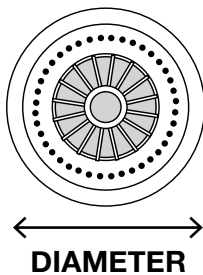

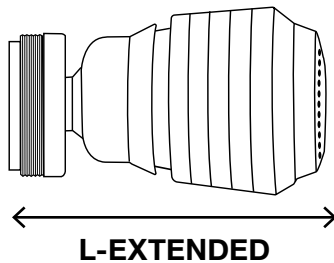

| | FLOW RATE | WATER | ELECTRIC HEATING | GAS HEATING |
|-----------------|-----------|---------------|------------------|-------------|
| DOLLAR SAVINGS | 1.5 GPM | \$51 | \$39 | \$21 |
| UTILITY SAVINGS | 1.5 GPM | 6,132 gallons | 347 kWh | 19 therms |

10-Year Limited Warranty

AM Conservation guarantees to the original purchaser or recipient of an aerator that it is free from defects in material and workmanship for a period of 10 years. AM Conservation will at our choice replace any part of the aerator which is in our opinion defective provided that the product has not been abused, misused, altered, or damaged after its purchase. This includes damage due to the use of tools or harsh chemicals. In the event a product has been discontinued, AM Conservation will replace it with what we determine to be the closest product. AM Conservation is not responsible for labor charges, installation, or other consequential cost. AM Conservation's responsibility shall not exceed the original cost of the product.
