

## OVERVIEW

Revive your bathroom, reinvigorate your showering experience, and reduce your energy bills—while enjoying the luxury of soothing rain, the convenience of a sliding, height-adjustable handheld showerhead, and effortless installation. ShowerRail’s patented Equiforce® technology ensures efficient spa-like performance through its uniform flows, great feeling sprays, and broad coverage. Installation is easy. Simply connect Niagara Conservation’s ShowerRail to your existing shower arm and secure it to the wall with one of our drill-free mounting options (suction cup or adhesive). A screw-in option is available if desired. It’s a simple 5-minute DIY installation—no plumber required. Relax in the 8” rain showerhead or slide your handheld showerhead to the perfect height for children, seniors, pets, or even for cleaning your shower. The versatile handheld showerhead features 6 unique spray patterns. The ShowerRail comes in a chrome, matte black, or brushed nickel finish to complement your existing décor.
