

LED Night Light

LNL-03-FF

OVERVIEW

Experience a gentle, ambient glow improving safety, security, and peace of mind. Featuring a sleek, classic, energy saving design, our Simply Conserve® LED Night Light elegantly emits soft, diffused light for illuminating bedrooms, bathrooms, and hallways without disrupting sleep or causing glare. An integrated sensor intelligently turns the light on a night and off during the day. Enjoy its comfort and convenience for years to come.

FEATURES

- Enhanced Safety and Security**
Emits a comforting glow to enhance safety, security, and sense of well being for family members of all ages.
- Intelligent On/Off Functionality**
Automatically turns on and off based on the room's ambient light. Plug it in once and enjoy automated operation for years to come.
- Utility Branding Available**
Orders of 100 or more can be customized with your logo. It's a great way to enhance customer loyalty and future engagement.
