

Open-Cell Foam Tape

P393

OVERVIEW

Experience the perfect blend of comfort and energy efficiency with Simply Conserve® Open-Cell Foam-Tape Weatherstripping. Designed to effortlessly seal out drafts and prevent heat loss, this weatherstripping enhances your space's energy efficiency. Made from soft compression sponge foam featuring a pressure-sensitive peel-and-stick acrylic adhesive, it's incredibly easy to install—no special tools or skills required! Ideal for doors, windows, attic hatches, and even around air conditioners, this versatile weatherstripping comes in various sizes to ensure a snug fit and reliable performance wherever you need it.

FEATURES

- **Enhanced Home Comfort**
Effectively blocks drafts and insulates, ensuring a more comfortable and energy-efficient home.
- **Effortless Installation**
With its 100% PVC sponge foam and user-friendly peel-and-stick acrylic adhesive, this weatherstripping is easily installed without the need for any special tools or expertise.
- **Versatility at Its Best**
Provides a snug fit and reliable performance wherever you need it most—doors, windows, attics, and more.
