

Triple-Fin  
Seal

# Professional Aluminum Channel Triple Seal Door Sweep

TSV325L  
TSV325L-B  
TSV325L-W

## OVERVIEW

Tired of drafts, noise, and gaps letting the outdoors in? Our professional-grade Triple Seal Door Sweeps feature a robust aluminum carrier and three, flexible vinyl fins for effective sealing of both large and small gaps. Perfect for new builds or remodels of residential and commercial properties, these versatile sweeps are compatible with both interior and exterior doors. Plus, the sweep's Dual Seal Technology™, combined with its slotted mounting adjustability, ensures fast and effective, caulk-free, installations for passing blower door tests on the first try.

## FEATURES

- **Superior Sealing Quality**  
Three draft-stopping vinyl fins mounted in a robust aluminum channel (2 1/8" height) for effective sealing of large and small gaps on interior and exterior doors.
- **Dual Seal Technology™**  
Back-of-carrier fin extension provides enhanced air sealing, on-door stability, and caulk-free installation for superior performance and longevity.
- **Fast & Effective Mounting**  
Included hardware (screws), slotted mounting adjustability, and caulk-free installation.
- **Multiple Colors**  
Available in brown, white, and gray colorways.
- **Save Energy & Lower Bills For Years To Come**
