

# Rainfall Spa™ Showerhead

## OVERVIEW

The Rainfall Spa™ Showerhead pairs sleek, modern design with high performance and durability. The larger, 8" diameter face plate is available in polished chrome, matte black, and brushed nickel to match any bathroom décor. Our patented Equiforce® Technology creates a consistently satisfying shower experience by delivering uniform flow, high-pressure sprays, and broad coverage—even in lower water-pressure showers. The showerhead's rub-clean spray nozzles ensure durability, and the metal ball joint provides smooth, 360° directional adjustments shower after shower.

## FEATURES

- **Expansive Shower Experience**  
Enjoy a wide, Full-Body spray from the large 8" faceplate—ideal for a spa-like rain shower that soothes from head to toe.
- **Equiforce® Technology**  
Our patented flow enhancement technology ensures a satisfying shower experience by delivering uniform flow, high-quality spray, and broad coverage—even in homes with lower water pressure.
- **More Hot Water & Lower Bills**  
This showerhead does double duty by providing enjoyable showers that save both water and the energy used to heat it. It means more hot water, lower utility bills, or a little bit of both.
- **Adjustable Swivel Design**  
The 360° ball-joint swivel allows for easy positioning, providing a tailored showering experience.
- **Effortless Maintenance**  
Rub-clean, anti-clog nozzles resist build-up and make cleaning the spray face as simple as a swipe.
- **Tool-Free Installation**  
Installs seamlessly onto any standard shower arm—no tools required.
