

# Solar USB Power Bank

SPB-5K-BK-SC-2.4A

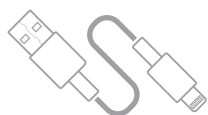

## OVERVIEW

Ideal for power outages, camping, hiking, traveling, or other outdoor activities, our Solar + USB Power Bank stores power so you can recharge your phone and other mobile devices when they're needed most. Featuring a 5,000 mAh lithium polymer battery offering up to 10 hours of battery life, 1-2 phone refills per charge,\* as well as USB-A to Lightning and USB-C to USB-A adapter cables, it's the universal solution for charging anywhere and everywhere. Simply place the Solar + USB Power Bank in the light to replenish its battery on the go or plug it into a USB-A or USB-C power adapter (not included) for fast charging from an outlet. It's integrated flashlight, ruggedized design, and charging port covers make it your perfect powering companion for years to come.

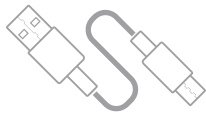

Compatible with Apple, Google, Samsung and more.
