

### OVERVIEW

Automate your home and transform your appliances with the Simply Conserve® smart socket. Plug in any appliance to control it with the ease of a smart device. Turn it on and off with the sound of your voice and control it from anywhere in the world with the Simply Conserve mobile app. Set timers to automatically activate your devices according to your busy schedule—like turning on your fan when you arrive home from work or turning off your child's lamp when they fall asleep.
