

Tabletop Air Purifier

Simply Conserve 1000 Series Air Purifier

AM-AP1130-WH

OVERVIEW

Breathe easy. Featuring superior air purification and energy efficiency with AHAM Verified® and ENERGY STAR® certifications, the Simply Conserve® Tabletop Air Purifier is the ideal portable solution for improving wellness, effortlessly saving energy, and lowering utility bills. Its patent-pending Advanced Cartridge uses a 3-stage purification system with replaceable True HEPA H13 and Carbon filters to efficiently remove pathogens, toxins, allergens, asthma triggers, and odors—keeping homes healthier while significantly reducing both replacement filter cost and landfill waste. Intuitive touch settings for varied filtration speeds and run-times make operation a breeze.

FEATURES

• Removes 99.97% of Airborne Contaminants

Captures particles down to 0.3 microns in size including viruses, bacteria, toxins, mold, pollen, dust, and smoke.

• Breathe Better, Spend Less

Our Advanced Cartridge design lets you wash the Pre-Filter and easily replace the HEPA and Carbon filters instead of buying an entirely new cartridge. Save up to 60% vs. typical filter replacements while reducing landfill waste.

REPLACEABLE Super Absorbent Carbon Filter eliminates airborne toxins, odors, smoke-smell, fumes, VOCs, cooking, and pet smells.

REPLACEABLE True HEPA H13 Filter traps 99.97% of bacteria, viruses, pet dander, smoke, pollen, mold, microscopic contaminants, and pollutants down to 0.3 microns.

REMOVABLE AND WASHABLE Pre-Filter captures large floating particles including dust, lint, fibers, hair, and pet fur.

• Portable Design Protects Family Members Needing It Most

Compact unit moves easily throughout home to improve air quality in every room.

• Superior Cleaning Power, AHAM Verified® Clean Air Deliver Rate (CADR)

• Smoke	105 ft ³ /min
• Dust	113 ft ³ /min
• Pollen	134 ft ³ /min
• PM2.5	109 ft ³ /min

• AHAM Verified® Room Size of 163 sq ft

Also cleans rooms up to 1,000 ft² in 76 min (250 ft² in 19 min, 500 ft² in 38 min, 750 ft² in 57 min).

• ENERGY STAR® Certified to Reduce Energy Bills

Save up to \$130 on utility bills over the product's lifetime. ENERGY STAR® certified air purifiers are about 25% more energy-efficient than standard models.

Intuitive Touch-Control Display

- 4 filtration speeds (sleep, low, medium, and high).
- 5 filtration timer settings (always on, 2-hour, 4-hour, 6-hour, and 8-hour).
- Display lock prevents accidental setting changes.
- Replace filter indicator.
