

Toilet Tank Bank®

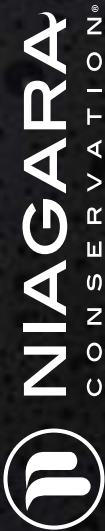

N3137

OVERVIEW

The Niagara Conservation® Toilet Tank Bank® is a simple solution for reducing water usage. Designed for easy installation and long-term durability, this water-saving device attaches inside your toilet tank to help conserve up to 0.8 gallons per flush—without compromising performance. Whether you're a homeowner, property manager, or sustainability-conscious business, the Tank Bank® offers an effective way to reduce utility costs and support eco-friendly living with zero upkeep.

FEATURES

- **Fast, Tool-Free Installation**
Installs in seconds—simply fill, snap shut, and hang. No tools, no hassle.
- **Smart Water Conservation**
Saves up to 0.8 gallons per flush, offering a practical way to lower water bills and meet efficiency goals.
- **Hassle-Free Performance**
The snap-lock design ensures no leaks, no odors, and no need for refilling.
- **Tank-Friendly Fit**
Its compact 7.75" x 12" size integrates seamlessly into standard toilet tanks without disrupting function.
